THE LEGEND CONTINUES

In Memory of...

THOMAS F. STARK
President, Winona State University
1983-1988

"Athletics are promoted on our campus because we believe they contribute significantly to the spirit and life of our University." Thomas F. Stark, '85

President Thomas F. Stark, President of Winona State University 1983-88 passed away suddenly August 21, 1988. His untimely death leaves a void at the University that will be difficult to fill. He was a personal friend to many people in the State of Minnesota; particularly in Southeastern Minnesota and especially in the city of Winona and at Winona State University. He was a strong supporter of many programs at the University and a very visible patron of those University activities he dearly loved to attend. We will miss his presence and we realize how fortunate we were to have had his guidance at the University.

TODAY'S GAME

This afternoon the Winona State Warriors will try to win back-to-back games for the first time in 5 seasons. If last weeks performance is any indication — WSU has finally found the chemistry to win.

The Warriors found a diamond in the rough when they gave two individuals their first collegiate start. TE Joe Farrugia, a freshman from Aurora, CO, caught 9 passes for 110 yards and was instrumental in the Warrior win. Junior Tim Angellotti, getting his first collegiate start, made the most of his opportunity. He racked up 9 tackles, 3 assists and 1 fumble recovery.

WSU also got excellent performances from Derek Zaugg, Brad Sprang and Scott Girolamo.

Morris will be led by QB Mike Peterson. Peterson leads the NAIA in total offense and is 3rd in passing. He is averaging 268 yards per game in total offense.

Peterson's favorite target is Craig Alto. The junior wide receiver is 5th in the country in receptions with 6.20 per game.

As a team Morris is 6th in the NAIA in total offense, averaging 397 yards per game.

Welcome to Winona State University — the home of the Winona State Warriors. Each Saturday provides an opportunity for you to see the Warrior team in action as they compete against the strong Northern Intercollegiate teams. This year our Warrior football team will be playing 11 games — 5 of them at home and 6 away. During the past year Warrior Athletic teams at Winona State University participated in conference, district, area and national competition. The Baseball team provided national recognition in the NAIA National Baseball Championships. During the year you should make an effort to see as many Warrior athletic events as possible. After the game, take time to visit the campus and the beautiful areas surrounding the city of Winona. Athletics is truly a part of the total educational process and through your continued support and attendance at our athletic events it will further substantiate the importance of these programs in our colleges and universities.
